

CONFIDENTIAL

21 November 1956

25X1A

MEMORANDUM FOR:

FROM

: Chief, Finance Division

SUBJECT

: Reimbursement Voucher for Storage for the Period
8 September 1950 to 15 September 1953.

1. Subject voucher has been examined by this Division and we find that we are unable to certify the claim for payment because the claim is not supported by receipts or other documentation supporting storage of the goods for the period claimed.

2. Inquiry to the Passenger Movement and Cargo Branch reveals that the Storage Company should be able to supply data regarding the periods of storage and total charges assessed since they are required under regulations to retain records for approximately ten years. It is, therefore, suggested that you request the [redacted] to furnish you with a transcript of your account with them showing dates of storage and charges assessed. Upon receipt of this information, subject claim should be re-submitted for further processing with the statement from the Storage Company attached as additional supporting documentation.

3. Subject claim is attached.
